

C2C Designs

C2C Designs is a contract hospitality furniture manufacturer for the luxury hospitality market. With over 15 years of experience in customizing furniture solutions for 5 star hotels across North America, our forte lies in delivering world class quality and unmatched service.

Headquartered in Davidson, North Carolina, and with international offices in Vietnam and Indonesia, we at C2C pride in combining domestic craftsmanship with our expert ability to engineer and source custom-made furniture products and hotel furniture worldwide.

At C2C, we specialize in the production of the most unique, custom made, high-quality furniture for hospitality properties. We offer full turnkey solutions to engineer, produce and install furniture throughout North America.

Putting your needs in the center of our operations, we at C2C help you coordinate every detail to meet your requirements - be it selecting existing solutions from our vast library of products or requesting a custom designed production that is tailored to your needs

As design evolves, so does C2C
